The Round Lake Area Exchange Club will sponsor an interactive workshop regarding regional plans at 6 p.m. Wednesday, Aug. 30, at the Round Lake Area Public Library, 906 Hart Road, Round Lake.

Input is being sought from residents, business owners, and municipal leaders to help plan the future. The Chicago Metropolitan Agency for Planning and its partners are developing a new comprehensive regional plan -- called ON TO 2050 -- and are seeking the perspective of area residents and business people on how the local region should look in 2050.
